

REQUEST TO STOP DOOR TO DOOR MAIL ITEMS BEING DELIVERED TO MY ADDRESS

Dear Sir or Madam,

This letter is to confirm that I wish to opt-out of door to door deliveries by Royal Mail. I understand the implications of this request, as described on your website:

- I understand that Royal Mail is still legally obliged to deliver all addressed mail, including items with a generic address such as 'To the Occupier'.
- I understand that opting-out will stop *all* unaddressed items delivered by Royal Mail and that I *may* miss important information from local or national government or other publications that are sent using this service. I have also noted that you will work with Government to get a message to every UK address in exceptional circumstances and that election material is not affected by the opt-out.
- I confirm that nobody in my household objects to not receiving unaddressed mail items.
- I am aware that my request to opt-out of door to door deliveries will not stop unaddressed mail items delivered by other distributors.
- I understand that it may take up to six week before this request is implemented.

I trust that I will no longer receive door to door mailings within six weeks from the date below and without further communication from Royal Mail.
